

What star is this with beams
so bright, More lovely than the
sun's own light?

'Tis sent to announce the new-
born King: Glad tidings of our
God to bring'

'Tis now fulfill'd as God de-
creed: "From Jacob shall a
star proceed"

And lo! the Eastern sages
stand, To read in heaven, the
Lord's command.

As from this star glow outward
rays, light the Lord conveys;
And urges them with force
benign,
To seek the giver of the sign.

What star is this?

It's our Lord, Jesus Christ!

JULEKONCERT

What star is this?
